Gentlemen:

We are enclosing you herewith report, form 912 for the year 1918, regarding which we wrote you under date of Dec. 18th.

We regret on account of the late run of herring and consequently late closing of the cannery, that we were unable to get our books closed and reports made up by the 15th as requirements.

We wish to assure you that there was no intent of violating your rules and regulations, but merely our inability to get the necessary figures to complete the report.

Yours very truly,

ALASKA PACIFIC HERRING CO.
